

# Certificate

Sanitary components

**Family of products: WATER**

CSTB hereby certifies that the products referred to in the appendix comply with the characteristics described in the certification reference system Sanitary components (NF 076), in force, following an assessment performed according to the inspection procedures set out in this reference system.

By virtue of the present decision notified by CSTB, AFNOR Certification grants:

**The company**                **ROCA SANITARIO.**  
**AV DIAGONAL 513**  
**ES-08029 BARCELONA**

**Factory :**                    **ES-08850 GAVA**

the right to use the NF mark Sanitary components for the products covered under this decision, throughout its period of validity and under the conditions provided for in the general rules of NF mark and the above-mentioned reference system.

Decision of renewal n° 248-U1-21/2 dated 30/03/2021  
This decision replaces decision n° 248-U1-21/1 dated 04/03/2021

Except in case of withdrawal, suspension or modification, this certificate is valid.

This valid certificate is available on the following Web site <http://evaluation.cstb.fr> to check its validity.

## CERTIFIED CHARACTERISTICS

The products covered by the NF mark Sanitary components have the minimal characteristics required by the standards, possibly completed by the technical specifications specified in the appendix

**This certificate comprises 2 pages.**
