

Certificate of conformity of the factory production control

0679-CPR-0409

(English translation, the original version is in French)

In compliance with the Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 laying down harmonised conditions for the marketing of construction products and repealing Council Directive 89/106/EEC, it has been stated that the construction products indicated in the following page, placed on the European economic area market by:

LR ETANCO

Parc Les Erables – Bât 166
Route de Sartrouville – BP 49
78231 LE PECQ Cedex
FRANCE

and produced in the factory:

LR ETANCO – ZI rue Clos Reine – BP 60073 – 78410 AUBERGENVILLE - France

was (were) submitted by the manufacturer to the assessment of the performance of the construction product(s), is (are) submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan, and that the notified body – CSTB – has performed the initial inspection of the manufacturing plant and of the factory production control and performs the continuing surveillance, assessment and evaluation of the factory production control (system 2+).

This certificate attests to that all provisions concerning the assessment and evaluation of factory production control described in the harmonized reference technical specification:

« Guideline for European Technical Approval n°006 (ETAG 006) edition November 2012 used as European Assessment Document (EAD) – completed by the European Technical Assessment ETA-08/0239 delivered on 20/05/2018 »

are applied and that this factory production control fulfills all the prescribed requirements.

This certificate can only be used in conjunction with the declaration of performance of the product written by the manufacturer or his authorised representative established in the European economic area and with the technical specification in reference.

This certificate is issued on 14 February 2022, it replaces the certificate previously delivered on 1 August 2019 and, except for withdrawal or suspension, remains valid as long as the conditions laid down in the corresponding technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

This certificate comprises 2 pages.

The list of certificates issued by CSTB is kept up-to-date by the CSTB.

Issued in Champs sur Marne, on 14 February 2022.
