

Certificate of conformity of the factory production control**0679-CPR-0141**

(English translation, the original version is in French)

In compliance with the Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 laying down harmonised conditions for the marketing of construction products and repealing Council Directive 89/106/EEC, it has been stated that the construction products indicated in the following page, placed on the European economic area market by:

VPI S.A.S (Vicat Produits Industriels)4, Rue Aristide Bergès BP 34
FR-38081 L'ISLE D'ABEAU Cedex

and produced in the factory:

VPI S.A.S (Vicat Produits Industriels) – 6, Hermeskappel - FR-57200 BLIESBRUCK

were submitted by the manufacturer to the assessment of the performance of the construction products, are submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan, and that the notified body – CSTB – has performed the initial inspection of the manufacturing plant and of the factory production control and performs the continuing surveillance, assessment and evaluation of the factory production control (system 2+).

This certificate attests to that all provisions concerning the assessment and evaluation of factory production control described in the harmonized reference technical specification:

European Technical Approval Guideline No 004 (ETAG 004), edition 2013
used as European Assessment Document (EAD)

completed by :

European Technical Assessment ETA-06/0011 – version 1, delivered 22nd April 2016

are applied and that this factory production control fulfills all the prescribed requirements.

This certificate can only be used in conjunction with the declaration of performance of the product written by the manufacturer or his authorised representative established in the European economic area and with the technical specification in reference.

This certificate is issued on 09th January 2023, it replaces the certificate previously delivered on 1st October 2018 and, except for withdrawal or suspension, remains valid as long as the conditions laid down in the corresponding technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

This certificat comprises 2 pages.

The list of certificates issued by CSTB is kept up-to-date by the CSTB.

Issued in Champs sur Marne, on 09th January 2023.Par délégation
du Président

Florian RASSE

This certificate is related to the factory production control for:

External Thermal Insulation Composite System with paste render (ETICS)
